March 2010

President's Message

With this last President's message from me, there are several housekeeping items to dust off and polish up.

- 1) Our AGA website host will move to **godaddy.com**. This change will allow us to save money, enhance the look and value of our website, and make frequent updates.
- 2) We will provide the latest and most comprehensive information on jobs and training events directly to the interested audience.
- 3) Don't overlook your AGA renewal; March 31st is the deadline. Updating your data on our event site when you register for events does not update your contact information on the National AGA database.
- 4) Speaking of membership, we will be downloading membership status from National and using that as the basis to determine registration fees for members and non-members in our upcoming educational events.

Karen Conrad

DOA DSIA Training

Career Leads

Search for jobs on
www.jobs.virginia.gov.

Our condolences to Willie White on the loss of his son.

Best wishes for a speedy recovery for Joe Kapelewski and Reep Pretlow.

Membership

The AGA Winter Seminar had excellent speakers and offered seven CPE's for the member price of \$45. This clearly demonstrates the value of an AGA membership. What other professional organization can compete with AGA's value, dollar for dollar? If you are not a member, please visit the national AGA website: www.agacgfm.org to join now or call Fred Hoover at 225-3613.

Fred Hoover and Douglas Nickerson

AGA Community

Attendees at AGA's Winter Seminar on 2/27 donated \$551 to Haiti Relief efforts. Combined with AGA Richmond's contribution of \$500- we raised over \$1000!
